730	It isn't Seattle....yet. Used to be a safe , wonderful place to raise a family . Now annexed by Kirkland, which I voted for it is a slum .my neighborhood has homeless with signs, yards with tarps over junk, yards full of cars, etc. The test of Kirkland is held to standard and f.hill is a forgotten stepchild. I had company from out of town and they couldn't believe it looked like I had Meth labs on my street. Not getting much for my \$18K taxes a year.....so sad. I will have to move, capital gains, Realtor. Wish Kirkland would apply consistent standards, and if not admit it and just tax me less or just say we really don't consider you Kirkland.	5/7/2018 9:06 PM

24	The continued population growth and how we'll manage traffic especially.	5/20/2018 12:08 PM
25	The property taxes keep increasing and the City needs to have a cap on the property taxes so the regular people can stay in their home without being forced out of Kirkland.	5/20/2018 12:04 PM
26	Housing costs are bonkers, especially for those that aren't eligible for help.	5/20/2018 11:29 AM
27	The growth is out of control. A small house is torn down and three are built on the lot. There doesn't seem to be any consideration for car traffic, pedestrians or schools. Hundreds of trees are destroyed by developers, it seems with City approval.	5/20/2018 9:19 AM
28	The thing that concerns me is housing prices, it's making it hard for new families to purchase in the area so we either have to continue renting or move elsewhere.	5/20/2018 9:17 AM
29	There are too many houses being built and the impact it's going to have on our schools and on traffic are making us think we may not be here as long as we thought we would.	5/20/2018 8:37 AM

33	Lake and beaches not being kept clean and sanitary	5/19/2018 10:31 PM

35	We're behind in pedestrian and bike enhancements such as sidewalks and protected bike paths to connect to the cross Kirkland corridor.	5/19/2018 9:38 PM
36	Mega homes being built where affordable homes once were.	5/19/2018 9:03 PM
37	It is changing. Buildings are bigger. (Parkplace!!!), so much tear down. New homes have such a different feel. New homes are unaffordable for the typical local people. Still though , Kirkland is wonderful.	5/19/2018 9:02 PM
38	I read about the increasing crime in the city and a seemingly increase in the lack of civility. Homelessness is becoming an issue as is the drug problem.	5/19/2018 7:34 PM

47	Kirkland downtown is too congested. Stores like Simplicity Decor are excellent. But getting to them is a nightmare. That entire area should be closed to traffic. Such a nice place to take friends, but no place to park, getting to a location can take 45 minutes, and if you are walking you have to dodge race cars while carrying a little flag and hope not to end up on the pavement. Kirkland old Town is overall going to be a full stop nightmare in two years.	5/19/2018 11:32 AM

85	traffic getting worse because of too many houses/cars and not enough public transportation	5/16/2018 9:05 PM
86	Taxes and fees	5/16/2018 8:56 PM
87	Traffic increasing	5/16/2018 8:53 PM
88	Traffic in general & no short term tie into the Redmond/Bellevue train into the City. That is really a shame. However, it is a joy to live here.	5/16/2018 8:44 PM
89	Over population	5/16/2018 8:33 PM
90	It's really a problem that this city is getting busier and a lot more people are living here, but the city isn't keeping up with the basics necessary to live in a city, like bike lanes and sidewalks. The neighborhood traffic has increased tremendously since I first moved here in 2003 and there aren't safe places for people walking and biking, even on busy streets like 7th ave and 6th street (bike).	5/16/2018 8:16 PM

111	Traffic	5/16/2018 9:46 AM
112	I am concerned that school districts really have no idea how much growth is going on. When I asked about this at one of the bond meetings they said they are in touch with the developers, but I don't think they really understand the growth happening on a street-by-street level and their projections for growth, as a result, are still WAY underestimated. The school district and the City should work very closely together on this as it directly affects quality of life in the city. I am also concerned about the removal of trees. Having built a home I know what most homeowners have to go through to audit and protect trees. But honestly I don't think it's enough. I removed about 5 pine trees but then planted about 13 or 14. I don't see others doing the same.	5/16/2018 8:38 AM

139	It concerns me most that Kirkland is being overbuilt. The congestion is already horrible and is directly a result of overbuilding. There needs to be more emphasis on roads and infrastructure. This is not meant to be a major city, simply a bedroom/suburb.	5/14/2018 4:53 PM

163	NIMBYs. They blocked light rail from coming through the densest city on the Eastside *on an existing rail corridor* and they oppose new development that will help relieve housing prices. Kirkland should be for everyone, not just people who can afford single family homes and single occupancy vehicles.	5/13/2018 4:43 PM

Over-development in exchange for cash advances from commercial real estate developers is not in Kirkland's best interests. We are not, and do not wish to be, Bellevue. Huge houses on small lots. Huge buildings. Violating Kirkland by wanting to place a train on the CKC. It is beyond offensive.	5/11/2018 8:52 PM
214	Lack of work on getting traffic off of fun hill	5/11/2018 8:40 PM

Also the high schools employ racist teachers and admin and the students rarely go to upper tier colleges the kids all go to WSU which has an 80% acceptance rate! LW may look good on paper but it's not showing in the students they are just mediocre. The police have murdered 2 people in the last few years and there is ZERO transparency!	5/11/2018 3:23 PM

276	Way, way too much development. Congestion is already bad, and with all the new construction, particularly around downtown, the town lost its charm as our city council tries to compete with Bellevue and Redmond. Housing construction is also out of control, any lot with 1 old house, immediately gets bought up and several 3 story, 4,000 sq ft., "minecraft" style houses are built. This steals views, invades privacy, and increased congestion as more houses are packed into smaller spaces.	5/11/2018 9:57 AM

355	the new I405/85th St changes. A traffic circle at 85th and 114th ave. Horrible and un safe idea	5/10/2018 7:09 PM
356	To damn many homes being built. And to high of property taxes. Older people being forced to move.	5/10/2018 7:05 PM
357	Not good. Adding these "short term apartments" bring people who don't care about Kirkland. More and more packages are being stolen every day. My neighbors and I can no longer have packages delivered to our houses.	5/10/2018 7:04 PM
358	Development	5/10/2018 6:58 PM
359	Traffic and parking in residential areas is very concerning especially in Norkirk near Kirkland Urban —cars parking on steets are blocking visibility for cars turning off 8th, 9th, 10th Aves onto 6th street and it is very dangerous - would be great if Kirkland Police could monitor this and ticket cars parking too close to streets, stop signs, etc	5/10/2018 6:53 PM

367	I dislike the push for some kind of "sensible gun control". Responsible gun owners are being blamed for the behavior of a few bad ones. This is like calling all drivers drunk drivers because one did something bad.	5/10/2018 6:27 PM

380	Ripping up the railroad tracks to make a bike trail bc deep pockets didn't want a commuter train in their backyard. So insanely misappropriated. That could have been an amazing transit solution!	5/10/2018 5:53 PM
381	traffic and no police patrols	5/10/2018 5:53 PM
382	I'm not crazy about the Bellevue-like Urban building. It's too big for the character of the city.	5/10/2018 5:52 PM
383	Unmitigated traffic, no parking, over development	5/10/2018 5:51 PM

392	Crime and failure of Kirkland Police to investigate property crimes	5/10/2018 5:32 PM
393	The massive overspending, how life has become very liberal vs. a place for all to live as we see fit, liberal or conservative, the fact the City Council DOES NOT listen to it's constituents, only the ones that agree with them; we already pay for police, transit, and emergency response teams. Why do we need to pay ANOTHER tax. This is where I say the city IS NOT doing a good job managing the cities money.	5/10/2018 5:30 PM
394	Too many apartments which leads to gridlock traffics	5/10/2018 5:27 PM
395	Congestion (traffic, parking, crowds)	5/10/2018 5:25 PM
396	The subdividing of lots to build multiple houses. It's ruining the neighborhood and aesthetics of the community. Im from the Bay Area of CA, they have already done this and it makes the community congested and unasthetically appealing to relocate too.	5/10/2018 5:23 PM

401	Over-development has led to increased traffic and population density.	5/10/2018 5:17 PM
402	Pedestrian safety, mainly excessive speeds around town, and crosswalk behavior of motorists. Motorists generally do not make complete stops at stop signs, and whatever slowing down they do is done in the crosswalk (not before it). Motorists, on thoroughfares where a crosswalk is mid-block, frequently stop (due to traffic) in the crosswalk.	5/10/2018 5:16 PM

2018 Kirkland Community Survey

413	I'm most concerned about all of the new sidewalks and curbs being installed when a new house is built. They create dangerous driving situations when a car is parked on the new curb. I constantly have to drive over a double solid yellow line on a hill or in turns in order to go around parked cars. It's so dangerous. It is mind boggling that this is allowed to happen. Examples can be found on 4th St between 15th & 19th Ave as well as on 5th PI between 15th & 18th Ave.	5/10/2018 5:00 PM
414	Please find a way to get people to keep dogs on leashes in our parks where there are already signs with that rule!	5/10/2018 4:58 PM

418	Just like everywhere in the area, things are more city-like and less rural/suburban and pleasant.	5/10/2018 4:55 PM
419	It's becoming a dangerous place with lots of theft and drug trafficking. The lack of policing Seattle type response is alarming. The city and police have not taken a strong position against drug trafficking in our neighborhoods and seems to want to follow the Seattle model of stand back and watch. Next you will see sponsored heroine injection sites. They would never put up with this in Medina.	5/10/2018 4:55 PM
420	Homeless growth & expansion in the Totem lake area, encampments in the wooded areas near intersections and interstate at 124th is getting really bad. Several roads in some areas are starting to degrade and have needed to be resurfaced for some time now.	5/10/2018 4:55 PM
421	Traffic	5/10/2018 4:52 PM
422	Traffic	5/10/2018 4:51 PM
423	Lack of trust with existing policymakers and corrupt practices! Examples why: 1) the rapid expansion when all side roads are already congested + lack of parking. 2) Almost 40% increase in property taxes in 2 yrs!! We don't all work at Amazon!! Where are you spending the money? 3) Approval of seaplanes @C-Point: reeks of corrupt payoffs. No fines, noise pollution and bad for our shore/environment.	5/10/2018 4:50 PM
424	The city is overly obsessed with bicycles.	5/10/2018 4:49 PM
425	nothing that i know of	5/10/2018 4:48 PM

441	Traffic.	5/10/2018 4:30 PM
442	The cost of living in Kirkland is getting out of control.	5/10/2018 4:30 PM
443	Kirkland really screwed up my neighborhood by repaving it with low quality cheap material. That they did this with no notice, no apology, no fixing of the problem demonstrates they are not beholden to the community. Also little to nothing is being done about traffic becoming worse every week.	5/10/2018 4:30 PM
444	Have had a couple of incidents with Kirkland police due to partner's mental health problems. Although the police were basically very professional, they could use more training on interacting with people who have mental illness issues and how such problems can affect behavior.	5/10/2018 4:29 PM

456	transportation - traffic keeps getting worse and the bus service never gets any better	5/10/2018 4:22 PM
457	Traffic. Multiple years of construction on 85th did not increase capacity.	5/10/2018 4:22 PM
458	Allowed Urban to exceed 5 story height restriction. Did not listen to citizens who live in area. Politicians in back pocket of developers. have not widened roads to accommodate increased traffic. have not reduced residential taxes due to increased tax revenue from 8 story Urban -- additional 3 stories of revenue should result in less taxes for us poor residents who have to put up with increased noise and traffic.	5/10/2018 4:21 PM
459	cost of living	5/10/2018 4:20 PM

469	school ratings are unusually low for this area	5/10/2018 4:09 PM

471	If we look like Redmond does in 10 years we will have failed. We need to ensure we have a city that has a soul and character all its own	5/10/2018 4:08 PM

472	traffic, and the ongoing construction. The large trucks moving dirt and material are destabilizing our roads paid for with tax dollars. Also, I do not see many police on the roads, I feel it is a free for all at every intersection with people going through red lights, turning when they do not have the right of way. I do not feel protected by police services in Kirkland	5/10/2018 4:07 PM
473	The fact that light rail isn't coming to Kirkland.	5/10/2018 4:06 PM
474	Unbridled tearing down serviceable houses, replacing with multiple houses and inadequate supportive infrastructure.	5/10/2018 4:06 PM
475	It concerns me that the city of Kirkland continues to prioritize dense urban growth over keeping our town small and pedestrian like it used to be. It also concerns me that my neighborhood in Everest has become a glorified Park and Ride, due to the fact that the city refuses to assist with this problem.	5/10/2018 4:05 PM
476	Traffic, Pedestrians Versus Cars	5/10/2018 4:05 PM

483	need more off leash dog parks	5/10/2018 1:38 PM
484	Mass-transit usage of the Cross Kirkland Corridor is in the city's long-term interest, but the City Council mainly listens to NIMBYs who want to block it	5/10/2018 1:38 PM
485	More off-street walking trails would be good	5/10/2018 1:33 PM
486	too much growth too quickly. It has been non-stop since I moved here and it's losing its character. The noise level has become intolerable with all of the construction projects	5/10/2018 12:50 PM

490	Overall affordability of housing for people of middle and lower incomes.	5/10/2018 11:21 AM
491	Too much housing developments, which are overcrowding streets and SCHOOLS! Have you been on Juanita Drive during rush hour?! Also - why all the TALL buildings? I thought there was a height restriction. These tall buildings are just another way that Kirkland is losing its small-town feel. The modern, urban look is not "small-town"... we are turning into another Bellevue!	5/10/2018 11:18 AM
492	City Council is not responsive to the wishes of the residents when it comes to land use decisions. They are forcing us to accept an unacceptable level of density and traffic	5/10/2018 10:38 AM

503	Traffic and lack of awareness of drivers	5/10/2018 8:33 AM
504	I am extremely concerned about the rate of growth in housing and the fact that traffic congestion does not seem to be a high priority. I can get to West Seattle faster than I can get across Kirkland to go to the Dentist. I understand the need for more housing but the traffic congestion and transportation needs have to be addressed and more than adding more traffic lights and getting rapid ride buses.	5/10/2018 8:11 AM
505	concerned that bigger buildings for offices, retail and apartments are overwhelming our "small town" feel and we are going to end up just being another Bellevue	5/10/2018 8:03 AM
506	Transportation	5/10/2018 7:59 AM
507	Crazy overbuilding of the downtown core resulting in a complete lack of parking and inability to go to restaurants - I barely bother trying to go out for lunch in Kirkland, you can't find anywhere to park. Why did we decide to allow a giant construction project to take up an entire lane of a major street for years? Couldn't we have required enough setback to keep construction off the streets? I am not understanding why the city council is allowing for giant construction projects ruining the feel of downtown and making it impossible for citizens to get around their own city.	5/10/2018 7:58 AM
508	Massive development	5/10/2018 7:38 AM
509	The number of housing units being built where a single family home used to stand. Parking & traffic which will become worse as the number of high density units are built. The pot holes in the streets, particularly 6th street near Google.	5/10/2018 7:23 AM

515	Rapid growth in a Bothell affecting Kirkland traffic.	5/10/2018 5:45 AM
516	Closing of long time businesses due to escalating rent costs that are changing the dynamic of our business core.	5/10/2018 5:43 AM
517	escalation of price of housing is pricing out too many	5/10/2018 4:59 AM
518	Increasing divergent populations with dissimilar and uncommon community values and economic capabilities.	5/10/2018 12:07 AM
519	Small town feel that was in sunset magazine. Now the city is building skyscrapers bending rules to give in to developers, not enough free parking or parking , too many people crammed into the small land. Quit developing the city. No more high skyscrapers. I could have move to big cities but chose not to. Stop making our city like Seattle and Bellevue!	5/9/2018 11:52 PM
520	Over development of the whole area.	5/9/2018 11:13 PM
521	I'm all for the new developments (Kirkland Urban and Village at Totem Lake) but I fear for some businesses (especially family focused ones) being pushed out. Gymnastics Connection, Kirkland Academy of Music and Performance, and Lake Washington Toddler Group come to mind as they've all had issues with building leases in the past couple years. Luckily, they have all found ways around/other locations but I worry they may eventually get pushed out and I think we need to protect businesses like this that families in our city support and benefit greatly from.	5/9/2018 11:03 PM
522	Not doing enough to embrace our growing diversity	5/9/2018 10:53 PM
523	I'm concerned we might loose the small town feel.	5/9/2018 10:38 PM

525	Taxes driving people out	5/9/2018 9:58 PM
526	Cost of housing/new structures are cold and slammed close together in place of one structure multiple are built for most profit. Quaintness is failing. Traffic. Hard to get in and out of town	5/9/2018 9:52 PM

2018 Kirkland Community Survey

527	Density is getting too high in the gentrifying areas. Recent zoning changes for the Everett/Houghton Community Center, proliferation of short plat approvals are all driving up density, traffic, and eroding the village feel that defined Kirkland.	5/9/2018 9:35 PM
528	There is an increase in petty theft, car prowls in my neighborhood	5/9/2018 9:26 PM
529	NIMBYism. I love the smallish-town feel, but we are 90k people now and need real public transit and denser housing.	5/9/2018 9:11 PM
530	I am concerned about the infringement of personal rights on private property (tree permits specifically)	5/9/2018 8:56 PM
531	I wish it was more pedestrian friendly. Very few sidewalks.	5/9/2018 8:49 PM

537	Increasing crime.	5/9/2018 8:18 PM
538	too much development on small lots; loss of trees	5/9/2018 8:15 PM
539	Proliferation of massive homes, usually replacing modest homes.	5/9/2018 8:10 PM
540	We need better sidewalks throughout all of Norkirk	5/9/2018 8:09 PM
541	I'm concerned that the city council places too much emphasis on providing housing and dense commercial development over vehicle and pedestrian traffic.	5/9/2018 7:56 PM
542	Too much traffic	5/9/2018 7:55 PM
543	The liberal politics of the City Council. We're losing touch with what makes Kirkland special.	5/9/2018 7:53 PM
544	over built	5/9/2018 7:44 PM
545	Speeding traffic through residential areas. My street (NE 112th St) is marked 25mph but most traffic goes way faster than this.	5/9/2018 7:44 PM
546	My biggest concern is the terrible lack or limited sidewalk situation. of particular concern is the apparent lack or real vision on how to safely connect pedestrian/biking corridor access between North Rose Hill and Totem Lake. Very disappointed the regional light rail will not include a Kirkland stop. Wrong move there. We need transportation vision that limits car use. It separates this area from being truly world class.	5/9/2018 7:43 PM
547	It is becoming unaffordable to live here and I'm afraid we will be pushed out but the rich. Our children cannot afford to live here.	5/9/2018 7:34 PM

549	KCC desire to disproportionately increase population with multi-purpose, high-density housing.	5/9/2018 7:32 PM
550	The speed limit along Lake WA BLVD is too high. It's such a high foot traffic street, and lots of parks with kids. It should be reduced to 25. I've seen way too many close calls.	5/9/2018 7:28 PM

561	I don't like the loitering I see at the central bus station next to the library. (evenings especially) and wouldn't park in the library garage at night	5/9/2018 6:38 PM
562	Cost & availability of housing/rents that accommodate families.	5/9/2018 6:38 PM
563	Urbanization.	5/9/2018 6:15 PM
564	Is Kirkland becoming "exclusive" and homogenous.	5/9/2018 6:11 PM
565	Spending priorities out of whack.	5/9/2018 6:00 PM
566	It seems like the city council isn't thinking before they act sometimes. Like approving Kirkland Urban, which now blocks the beautiful view coming down NE 85th ST. And the Totem Lake expansion has brought too much traffic to the area. Just going from the Park and Ride at 116th AVE NE and NE 132nd ST can take 20 minutes or MORE during rush hour. That's just plain unacceptable. The traffic at the NE 124th ST/116th AVE intersection is unbearable now and needs to be alleviated. Also, it seems like potholes in the roads aren't being repaired promptly. And all the new building is raising property prices AND taxes so people can't afford to live here anymore.	5/9/2018 5:59 PM
567	Traffic has increased terribly. Too many single family homes are being torn down and replaced with apts	5/9/2018 5:49 PM
568	Growth, becoming more like Bellevue	5/9/2018 5:48 PM
569	Economic diversity going away because of the lack of affordable housing.	5/9/2018 5:46 PM
570	Perceived direction that Kirkland is going in. Does Kirkland really want to be a copy of Seattle! Not me or my household!	5/9/2018 5:35 PM
571	The government is taking too much control of our lives	5/9/2018 5:32 PM
572	Stop developers from cutting down all the trees. Builders sell 1,000,000 dollar homes in a community called "kirkland Woods" but they cut all the great trees down.	5/9/2018 5:27 PM
573	Housing density, affordable housing, loosing the small town park like nature of the city.	5/9/2018 5:27 PM

576	City of Kirkland piermpts developers and builders to build mixed used zone without considering parking , traffic conjection	5/9/2018 5:17 PM
577	I hope we won't be too NIMBY or hostile to change as the community grows; it's important to maintain local character, but digging in too hard in an attempt not to change too much can leave a booming community several steps behind its own growth and unable to serve its inhabitants (with infrastructure, transit, appropriate density, affordable housing, etc.)	5/9/2018 5:14 PM
578	too much growth too quickly. not enough affordable housing.	5/9/2018 5:12 PM
579	Traffic, over development of residential and apartments	5/9/2018 5:11 PM
580	Traffic is horrific! The city now has lots of residents but the street grid looks just like the 1980s. .Traffic Commission is a joke.	5/9/2018 5:08 PM
581	There is too much traffic on 132ND and it's very hard to get on to 132ND from 4:30-6:30, there maybe aren't enough lights or gaps to pull out and often have to wait 5-10 minutes for one. People who live in kingsgate s d Finn hill are cutting through our neighborhood to avoid the freeway adding to the traffic	5/9/2018 5:06 PM
582	Similar to the broader area, too much growth too quickly. Resulting in unmanageable traffic and congestion. Hoping we made room for the small businesses.	5/9/2018 5:00 PM

587	transportation	5/9/2018 4:48 PM
588	Agressive development of the city as a regional player is out of step with available tax base. When the tax credit ends I think the city will have a hard time keeping in step with what it has chosen to fund.	5/9/2018 4:45 PM
589	I'm concerned about traffic. This is problematic when getting around the city, as well as sometimes dangerous for pedestrians and bicyclists.	5/9/2018 4:38 PM
590	Downhill! Too much sudden density without proper infrastructure built to handle the loads.	5/9/2018 4:37 PM
591	Overregulation and taxes	5/9/2018 4:36 PM

597	Change to the downtown. I'm concerned about the lack of galleries, just heard Howard/Mandville is going. I'm afraid we are losing out to too many noisy gyms and now it appears the merchants are moving out. It feels like it is only a downtown of bars, restaurants and gyms. I don't feel it's a healthy balance for a downtown. I visited many of the merchants last year as part of a listen program (part of the KDA) and the majority of the merchants in Park Lane seemed unhappy. Or found the general atmosphere among the merchants was unusually conflicted. I had no answers for them but was disappointed as well as surprised.	5/9/2018 4:24 PM

603	The amount of housing that is exploding in all of Kirkland. Why are we trying to shove as many people as possible in to our city??	5/9/2018 4:14 PM
604	My singular concern is the ongoing intent to take away our fitness trail and nature for a train - that is what the egress on the side of the highway is for. Please don't take away our trail!!	5/9/2018 4:14 PM

775	Rising cost of housing	5/7/2018 6:39 PM

787	Too much high density housing	5/7/2018 6:02 PM

790	homelessness	5/7/2018 5:54 PM
791	I've only been here 4 months, so I don't have a superclear picture on how things are. I also live downtown so it's a limited view of wider Kirkland. People seem to be friendly towards each other when they look the same. Seems to be a bit of paranoia towards people you don't know or aren't familiar with. Fairly common maybe, just seems a bit beyond petty. I'd love more events to bring communities together.	5/7/2018 5:53 PM
792	Better street lights	5/7/2018 5:45 PM
793	Traffic, parking, congestion	5/7/2018 5:41 PM

2018 Kirkland Community Survey

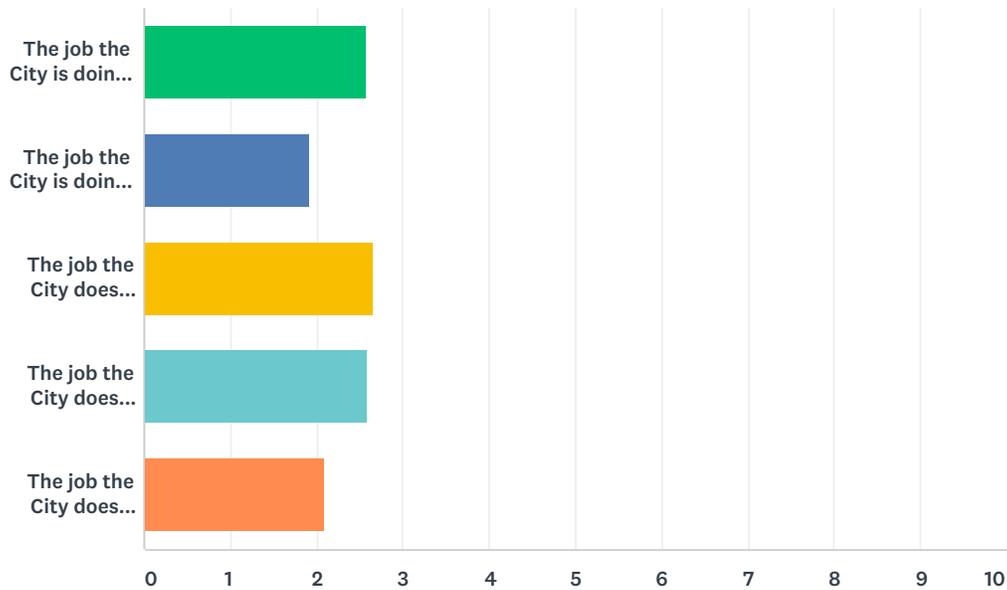

821	Housing prices are too high	5/7/2018 1:26 PM
822	the natives are being forced out	5/7/2018 1:21 PM
823	population control- traffic is insane	5/7/2018 1:19 PM
824	I think it is developing too quickly without thought to the future. Too much expensive housing, too little infrastructure, and needlessly mowing down every green space.	5/7/2018 1:08 PM
825	Tons of new houses and apartments, with no increase in road capacity.	5/7/2018 1:05 PM
826	I am concerned about short sited dismissal of light rail to our community. Traffic is major issue especially now on Juanita Drive	5/7/2018 1:05 PM
827	Roads are deteriorating. Housing prices are going to Pluto and beyond.	5/7/2018 1:05 PM
828	Love the development of Totem Lake!	5/7/2018 1:02 PM
829	With all of this increased Tax money, we hope that you continue to invest in the infrastructure so when economy crashes we're prepared for it.	5/7/2018 1:00 PM
830	Property taxes are unbearable and houses/apartment building is out of control. We are seeing quarter acre lots being chopped up into 3K square ft lots making way for 3 houses instead of one. The number of new houses & apt bldgs have exponentially increased traffic to the point where kids are put at danger in neighborhood streets.	5/7/2018 12:53 PM
831	There needs to be better traffic management on 97th Ave and the entrance to Juanita Beach Park. Without this, the traffic light only permits one car through the light with the high pedestrian traffic crossing into the park. People get irritated and make unsafe driving maneuvers trying to get through the light.	5/7/2018 12:52 PM
832	The community is losing its economic diversity.	5/7/2018 12:49 PM
833	I am concerned that the build up in Totem Lake will lead to the neighborhood schools such as Robert Frost to become even more crowded.	5/7/2018 12:47 PM
834	My answers to survey questions are harsher than they would have been before. My biggest concern is the growing wealth gap and having those of moderate incomes or lower being pushed out. One reason seems to be unrestrained developer greed, building only for the highest return without thought to the impacts to community. The city must be responsible for setting these restraints. Make it less appealing to build expensive homes and more appealing to build quality homes where people want to live and that are affordable for a variety of incomes.	5/7/2018 12:43 PM
835	Biggest concern: cost of housing. We moved here 2 years ago and a recent housing development near Finn Hill advertised a new housing development from the low \$500,000's...and within the course of a few months the sign stated from the low \$1,000,000's. This is unsustainable and frankly disgusting. I cannot imagine remaining in this community. Sad.	5/7/2018 12:38 PM
836	Traffic	5/7/2018 12:27 PM
837	Traffic conditions are getting bad. Building boom of houses without roads and infrastructure keeping up.	5/7/2018 12:15 PM

839	Traffic	5/7/2018 12:02 PM
840	Traffic and they way city handles it.	5/7/2018 11:55 AM
841	Homelessness and socialism.	5/7/2018 11:42 AM
842	Infrastructure (schools, roads, parking, parks) not keeping up with density, and Kirkland not updating existing assets to serve increased demand (like expanding one-level parking lots to accommodate more cars, or turfing Lee Johnson field so it can be used by different sports all year round).	5/7/2018 11:41 AM
843	We need to enhance our access for the disabled. For example, many of the play areas at our parks are not accessible to kids of all abilities (no ramps to get to play structures, limited disability swings, etc). There needs to be improvements throughout the city for people with disabilities.	5/7/2018 11:41 AM
844	Too expensive	5/7/2018 11:40 AM

2018 Kirkland Community Survey

845	Overcrowding, and not controlling height restrictions that allow tall buildings blocking natural light and scenic beauty. Parking is horrible at Totem Lake new shopping area, apartments don't have enough spaces which bring the apartment peoples extra cars to shopping car lots. I have given up trying to find a place to park and avoid this area take my shopping out of he city.	5/7/2018 11:40 AM
846	Traffic. Especially related to the growth around Totem Lake.	5/7/2018 11:40 AM
847	Lack of maintenance of roads/medians	5/7/2018 11:34 AM
848	Homeless shelter may bring more crimes to the city.	5/7/2018 11:32 AM
849	The horrible traffic and overbuilding with way too long to improve the roads.	5/7/2018 11:32 AM
850	disaster response	5/7/2018 11:32 AM
851	Density of development	5/7/2018 11:31 AM

1	Sidewalks are not continuous, they are dark and need more lighting. Cross walks are a hodge-podge mix of very little markings, to oddball flags, to quality well identified types like the one by Costco that lights up. That crossing should be the STANDARD for all cross walks where significant traffic exists.	5/21/2018 1:15 AM

70	NE 144th St. has no street lights at all once you pass McDonald's....when you reach the residential part (just past Caribbean Casino)...Sancerre Apts. onward, you can't see your hand in front of your face. We've been told we'd have lights along 144th since annexation!!! LIES AGAIN! Uneven broken sidewalks. Why put that bike lane in when people fall quite regularly due to no lights and messed up sidewalks? We have disabled folks who can not go for a simle walk with their canes/walkers/wheelchairs. We have a few blind neighbors as well that it is unsafe for.....but then, do you really give a shit?	5/14/2018 10:01 AM

78	I don't. If I feel unsafe at all, it's because we have too many police. A significant portion of the police force should be disarmed or replaced with social workers, who can handle wellness checks and nonviolent crimes without escalating a situation by coming into it armed.	5/13/2018 4:43 PM
79	People drive too fast, often zipping through neighborhood streets. The traffic redesigns (islands, speed bumps). More sidewalks would help.	5/13/2018 4:20 PM

97	Because I've had a scary situation (while running after dark) that was dismissed by the police when reported. I haven't run or walked after dark since, and I think it's pointless to report issues to the Kirkland police. I don't feel protected.	5/12/2018 10:56 AM

132	Lack of adequate lighting and police protection	5/11/2018 1:55 PM

134	Some crime in the area	5/11/2018 1:11 PM
135	I feel 95% safe, but feel not as safe for my wife if she were to walk alone in the dark. 149	With the woods of St Edwards and Big Finn Hill parks so close, I sometimes get nervous walking after dark due to unknown elements. (Can't see if there are animals, people as easily) Also It is a worry that cars cannot see me in the dark due to few streetlights.	5/11/2018 9:50 AM

177	losing my house. Not being able to provide a home for my adult children who cannot afford to move out because rent is more than they can afford. City of Kirkland spends a lot of money - yet there seems to be a need for more and more - you are going to tax me out of my home and yet, with all the tax increases I'm not seeing better roads, or more public transportation or more police and less drugs on the street. I see more construction , more wildlife being displaced, n]more traffic on roads that are over extended.	5/10/2018 9:22 PM

194	Well the Woodlands Park across the street is really dark (and I want it to stay that way for wildlife), but it means I don't want to walk much at night. Also, the sidewalks are continuous. For instance going down 124 Ave from 100th St to 85 St should be a straight shot across sidewalks and it's not. 132nd Ave is much worse. I would like to walk along these arterials and feel safe from cars.	5/10/2018 7:29 PM

198	I live by these new apartments next to the Wells Fargo and late at night they are always walking by our cars leaving trash and cigarettes, left over food, which our dogs get into. Stolen packages, this makes me feel unsafe to know a thief is that close to my home. Coming onto my porch and stealing from me. Police can't really do anything about it...so no point in calling them. I'm pretty sure I saw a drug deal happen right in front of me. People looked like Herion junkies.	5/10/2018 7:04 PM

242	Kirkland roads are deadly to walk on. The city seems focused on making them more dangerous. New signals that allow left turns through multiple high speed lanes of traffic and a crosswalk. That's insane! Making intersections busy, even on walk-to-school routes. Widening roads. What is up with the city's transportation department? Do they not care about safety at all?	5/10/2018 4:43 PM

394	Dark streets. Lack of consistent sidewalks on thru streets.	5/7/2018 8:48 PM
395	Bridle Trails is a very dark neighborhood with some streets with only one street light (or if there are more lights they are very dim ones) (people tell me it was deliberately designed this way) and the heavy tree cover (which I love, and is the reason we choose this neighborhood) just makes it even darker. I think because of the darkness, more crimes are occurring (easier to steal from mailboxes or break into cars if the streets are dark).	5/7/2018 8:44 PM
396	No sidewalks, road conditions are terrible. The meth house in Kenmore on 155th didn't exactly help either.	5/7/2018 8:19 PM

428	Poor lighting	5/7/2018 3:34 PM
429	No sidewalks or street lamps	5/7/2018 3:12 PM
430	Primarily because of how unsafe it is for pedestrians on Goat Hill. Our road has been neglected by the city ever since it was annexed in from King County. There are blind corners, no sidewalks, no streetlights, and cars go well above the suggested speed limit. If I want to leave the hill, I have to drive down to the bottom because I fear for my and my child's safety. Also, please fix the hairpin turn at 116th and 117th on Goat Hill: semitrucks and box trucks get stuck there weekly, blocking access from residents. I've called about this issue three years ago and nothing has been done.	5/7/2018 2:45 PM

#	RESPONSES	DATE
1	The railroad tressle on Kirkland Avenue and the traffic that feeds it (even after the most recent traffic re-direction changes in 5/2018) is a complete and total safety hazard for foot traffic and drivers. Its nly a matter of time before a driver dies from hitting the tressle, or people are killed from a T-bone collision. The road needs to be 25 MPH max, and needs caution lights with flashing speed warnings.	5/21/2018 1:15 AM
2	We need to fit expenses into the budget without raising taxes.	5/20/2018 8:24 PM
3	6th ave. Is long over due to be resurfaced. It is a mess. Thanks goodness the city is putting a cross walk at 9th.	5/20/2018 8:16 PM
4	The voting majority of the City council and especially the mayor disrespected community input on houghton/Everest development. The congestion will increase and the solution proposed is bogus. As the mayor said at one of the meetings I attended, this is her baby, she wants it and although this was the wrong place to put it, they are going to go ahead with it anyway. Low income housing with Met Market thecealkable gricery store rather than a Safeway or Fred Meyer as an example.	5/20/2018 7:09 PM
5	Speeding in neighborhoods	5/20/2018 6:42 PM
6	Need to do a better job at maintaining beach parks and more public swimming pools	5/20/2018 4:29 PM
7	The City's welcoming initiative is important and should be included.	5/20/2018 4:16 PM
8	Downtown parking	5/20/2018 3:49 PM
9	Speeding in several Kirkland neighborhoods that could be reduced with the installation of radar speed signs.	5/20/2018 3:23 PM
10	Surveys are taken, public input is solicited and it is mostly ignored except for brief lip service.	5/20/2018 3:10 PM
11	I understand the need for zoning and development restrictions on unused land , but less restrictions are warranted for remodels and development on private lots. The more subdivisions allowed, the better for all of Kirkland.	5/20/2018 3:06 PM
12	The City needs to find other options for financing and stop increasing the Property Taxes for homeowners.	5/20/2018 12:04 PM
13	There are various government services that are provisioned by other governments and agencies, and I had hoped that this survey would let us talk about our satisfaction with those issues, especially those that the City could "take on" like it did with animal services or maybe "take off" like how many municipalities contract with KCDC for court services.	5/20/2018 11:29 AM
14	Overcrowding of our schools is getting worse. STOP PERMITTING FOR NEW HOUSES.	5/20/2018 8:37 AM
15	City staff friendliness and responsiveness. My experience shows staff could be friendlier and more helpful.	5/19/2018 9:38 PM
16	Drug enforcement. Land perseveration. Bike communiting safety.	5/19/2018 6:26 PM
17	police focus too much on small traffic infractions and not dangerous crime like drugs, robberies	5/19/2018 1:24 PM
18	Mayor Whalens time in office is going to be over soon when we vote her out.	5/19/2018 11:22 AM

26	Do not develop/wreck 4 corners at 68th in Houghton!	5/17/2018 9:16 PM

38	Increased effort on Emergency Preparedness	5/16/2018 8:44 PM
39	I support improvements to infrastructure and emergency services, but our property taxes have doubled in the last few years, so I don't support tax increases. We pay plenty of taxes, but I see the money getting wasted instead meeting basic needs like sidewalks and bike lanes.	5/16/2018 8:16 PM
40	Traffic	5/16/2018 7:04 PM
41	New construction homes that don't have room for the new owners to place their garbage cans, so they leave them 24/7 on their driveways. And there is no ordinance that says they can't do this.	5/16/2018 6:59 PM

56	Sharing of resources with neighboring cities - like Bellevue. It is somewhat embarrassing to walk the CKC and see the two city depots with unused trucks and equipment. 58	Get rid of the bag tax!	5/14/2018 11:46 PM

Builders are putting up multiple houses on what used to be a single family lot, and they are razing all of the trees, some of which are over 100 years old. They are not supposed to be able to do this, if I understand the city bylaws.	5/14/2018 8:17 PM

165	School support outside of state funding	5/10/2018 8:08 PM

167	Businesses emitting toxic fumes into the air.	5/10/2018 7:51 PM
168	Getting rid of panhandlers!	5/10/2018 7:38 PM
169	The worse thing about Kirkland is the lack of increased funding for schools to accomodate all the students who are moving in here as the density increases. I HATE that the measures require 60% to pass. People are so short-sighted about our future.	5/10/2018 7:29 PM
170	Kirkland is very deficient in off-leash dog parks.	5/10/2018 7:28 PM
171	Light Rail	5/10/2018 7:14 PM
172	Stop all the builders coming in here and taking down our homes and trees damn it!!!	5/10/2018 6:58 PM
173	over flow parking from Kingsgate Park n Ride on residential streets. It is definitely impacting NE 128th St., nothing is being done and it is only going to get worse as planned density increases.	5/10/2018 6:45 PM
174	Consider more diversity, equity, and inclusion in the city's planning and activities.	5/10/2018 6:40 PM
175	Density is too high for the roads and Kirkland is allowing more in-fill and apartments. This is also putting a huge strain on the schools.	5/10/2018 6:27 PM

182	Over development.	5/10/2018 5:48 PM
183	Having lived here almost 6 years, I do not understand why one of the major, heavily used north-south thoroughfares is a such a junky road- the section between NE68th Ave and Central. It's not only a bumpy ride for cars, but downright dangerous for bicycles.	5/10/2018 5:45 PM
184	Impact of climate change not being addressed by City government.	5/10/2018 5:44 PM

2018 Kirkland Community Survey

185	Managing utilities, bring down rapidly rising prices	5/10/2018 5:43 PM
186	Transit options, traffic and congestion are a huge concern to me. It regularly takes over 20 minutes to get to norkirk from 520. Driving to Seattle is now close to 1 hr. The growth of Kirkland is not keeping up with transit availability and congestion. Kirkland will not be a safe, walkable area if there is grid lock everywhere. I'm super angry that the city caved to the SOS people. We should be using the ckc for transit! The BRT on I-405 is a joke! No good will come from that for Kirkland residents. Back to th drawing board and start representing Kirkland residents, please!	5/10/2018 5:38 PM
187	Rent control	5/10/2018 5:33 PM
188	Services for seniors	5/10/2018 5:32 PM
189	No more apartments	5/10/2018 5:27 PM
190	oppose safe injection sites!!!	5/10/2018 5:25 PM
191	A recreation center similar to the one in Golden CO would be so welcomed. Not only is it an amazing center, but the classes were affordable and so was membership. It offered an improved quality of life perk. I would also like to see more walking paths developed in areas without them that could connect to the major walking paths. That is also a huge perk.	5/10/2018 5:23 PM
192	I am very opposed to recent tax increases, and very opposed to all of our mayor's handouts for poor/homeless	5/10/2018 5:22 PM
193	The proposed addition of overhead powerlines on 124th is bad - we need to be moving those underground, not adding more above ground so we can have more power outages AND more cancer.	5/10/2018 5:20 PM
194	Sidewalks are terrible here	5/10/2018 5:19 PM
195	Improve the manners of one particular older male Kirkland City Council member who lashed out in a disparaging emailed response against me when I contacted the City Council members about a neighborhood zoning proposal that I opposed in my statement. All other council members who replied did so graciously and respectfully.	5/10/2018 5:17 PM
196	School safety	5/10/2018 5:15 PM
197	Market street traffic flow could is a stop light at 18th & Market for the homeowners to safely enter into Market.	5/10/2018 5:15 PM
198	Kirkland needs more traffic cameras on busy street intersections.	5/10/2018 5:07 PM
199	Close the pot stores in Kirkland	5/10/2018 5:04 PM

202	Traffic	5/10/2018 5:00 PM
203	Why does everyone walk in the streets when there are plenty of sidewalks??? It seems to be a thing that only happens in Kirkland. It's not really a "concern" for most people, but we drive electric cars and I feel like we are going to give one of these streetwalkers a heart attack someday.	5/10/2018 5:00 PM
204	School and overcrowding but still allowing building permits	5/10/2018 4:57 PM
205	Government accountability - transparency	5/10/2018 4:55 PM
206	It is clear by all of the topics you discuss above that resolving the drug and crime issue is not even in your top 20 priorities. All of that is window dressing if your city is not safe and its clear that we won't tolerate drug dealers and crime. Time to get tough.	5/10/2018 4:55 PM
207	I'm not a fan of modifying or removing the Rose Hill wetland & buffer to provide more low/mid density developement. More dense development should happen in areas that don't affect parks & wetlands. More development needs to happen in Houghton shopping plaza and North side of Totem Lake Mall project to densify these areas.	5/10/2018 4:55 PM
208	Mail and package theft - provide or offer financial assistance to upgrade to locking mailboxes	5/10/2018 4:51 PM
209	Increasing even more taxes on home owners isn't a solution! You are pushing people out and then you are worried about not having affordable housing? Why don't you spend smarter and cut out pork programs & corruption by greasing the paws of vendors which overcharge the city.	5/10/2018 4:50 PM
210	Ever increasing taxes forcing residents to leave.	5/10/2018 4:45 PM

211	Schools and how city can support district	5/10/2018 4:45 PM
212	Traffic calming. Stop trying to speed up traffic. Pretty much every street in Kirkland needs traffic calming. Seattle set a city-wide 25mph speed limit. Why is Kirkland not doing this?	5/10/2018 4:43 PM
213	Overcrowding	5/10/2018 4:40 PM
214	Developer clear cutting trees and vegetation.	5/10/2018 4:39 PM
215	Police response times are a joke. We've had multiple breakins and home invasions in the neighborhood and police dont show up until the criminal is gone and the threat resolved itself.	5/10/2018 4:30 PM
216	I would like to see an acceleration in the programs to connect neighborhoods to greenspace or even other neighborhoods to increase the walkability/bikeability for Kirkland in general. Living in Finn Hill I know there are plans for this within our neighborhood, but it would really help many subdivisions that are totally cut off except for access to main road.	5/10/2018 4:28 PM
217	Please keep transit on I405 corridor.	5/10/2018 4:25 PM
218	Ways citizens can participate in local government or community	5/10/2018 4:25 PM
219	Better parking downtown	5/10/2018 4:23 PM
220	Do not allow the CKC to be made into mass transit and don't ruin the cloverleaf interchange on NE 85th, that is a mistake.	5/10/2018 4:23 PM
221	No, you did a terrific job on this survey!	5/10/2018 4:22 PM
222	City Council listens to developers not citizens	5/10/2018 4:21 PM
223	Please spend more money on sign code enforcement.	5/10/2018 4:17 PM
224	Sold and leaving. Too expensive to live here. Moving in next 6 months.	5/10/2018 4:16 PM

235	No	5/10/2018 11:21 AM
236	Yes. I am disappointed that south Kirkland gets "more love" than north Kirkland (Finn Hill/Juanita/Totem Lake). From something as small as landscaping - there are always pretty flowers dressing up the downtown area - why not along Juanita Drive (near Juanita Village), or the Totem Lake area? Peter Kirk Park has gotten 2 new play structures int he 14 years I've been here, but Juanita Beach - despite its makeover - still has the same scraggly play structure. Also - why are there so few garbage cans at parks, and why are they not emptied more frequently? Why has Juanita Beach (ballpark side) turned into an off-leash dog park? I have cleaned dog poop off my kids' sneakers too many times to count... it's disgusting. I'm sure if dogs were running off leash in Peter Kirk Park, there would be constant enforcement. Once again - this all reverts back to my ONE RESPONSE of North Kirkland's Lack of Attention by the City.	5/10/2018 11:18 AM

243	Retire the City Manager!!!!	5/10/2018 8:43 AM
244	I think the services presented in question 17 are very important but I would like to see the City audit their expenses to see where money to support these items could come from the taxes and fees currently collected. I believe there are ways to save that are currently not being implemented. It would seem an appropriate place to start at the City with staffing levels by taking a look at work load vs. staffing levels.	5/10/2018 8:11 AM

264	Housing density	5/9/2018 8:10 PM
265	I don't believe the City Council and Mayor listen to their constituents very well. In their quest to develop this community they ignored facts from traffic safety specialists and pleas from citizens when approved zoning for a 5 story building at the intersection of 6th St & 108th.	5/9/2018 7:56 PM
266	What are we willing to give up to maintain the community feel of Kirkland. More emphasis on my/our PRIORITIES that government can best provide and for which we would pay. What should government NOT provide?	5/9/2018 7:53 PM

279	I am 65 and have no kids in school and should not have to pay the full school tax on property taxes. Also get rid of the charge for paper bags. When you pay the high prices for merchandise in stores one should be able to get a bag to carry it home. It is just another way for stores to increase their profitability.	5/9/2018 5:32 PM

285	Kirkland has become an impossible place to get around. The traffic is terrible, so why not fix it with one-way grids to help flow?	5/9/2018 5:08 PM
286	More parking around the parks so we can use them without walking so far, also more parking around twain and better no parking area markings around cross walks, here currently is not enough parking and dangerous sitoooccur after, nearly running kids over because I can't see them in the cross walk around parked cars, a drop off zone on 128th so mY 8 yr old doesn't have to walk by himself around the whole building to get to his class along a hidden area. 324	no	5/8/2018 9:42 AM
325	New taxes and fees should not be imposed on the masses, if increases services are needed due to the growth of the community due to new development. Developers and builders should support the cost to cover increased roads, sidewalks, traffic revisions, parking, transit, emergency services and open spaces. Please don't openly expand the city, then later turn to everyone and say, "we need more taxes to support the growth". Don't become Seattle.	5/8/2018 8:55 AM

378	City wide Super fast Internet open to all residents.	5/7/2018 2:43 PM
379	It is infuriating that people in cars hit and kill pedestrians, and Kirkland doesn't pursue criminal charges. "Sorry, didn't see you" is an excuse to hit people walking on bicycles that the city of Kirkland accepts, and it is contemptable.	5/7/2018 1:51 PM
380	Housing prices	5/7/2018 1:26 PM
381	Commercial availability. Up in Finn Hill, it takes 5-6 minutes to get to any sort of shopping. Honest, I'd love to see a block of houses somewhere that, when the owners sell, gets bought by the city, then torn down to put up new shops/restaurants.	5/7/2018 1:05 PM

384	more consistent street sweepers please (go beyond the main road 116th)	5/7/2018 1:00 PM
385	Reducing taxes and attempting to do more with less money, just as people in the private sector are being forced to do because of high taxes and inflation. Kirkland government has a very large police and fire presence and a large city government employee base relative to many other cities. Between the City & County government resources available to the residents of Kirkland, more can be done for less money.	5/7/2018 12:53 PM
386	97th Ave and the entrance to Juanita Beach Park needs a dedicated left hand turn signal to manage traffic flow. Without this, the traffic light only permits one car with the high pedestrian traffic to the park. People get irritated and make unsafe driving maneuvers trying to get through the light.	5/7/2018 12:52 PM
387	Density and housing issues including an over reliance on building up Totem Lake rather than spreading the burden.	5/7/2018 12:47 PM
388	Taxes. Have mercy.	5/7/2018 12:43 PM
389	Homeless THAT never lived. Rented. Worked paid rent or taxes. No family ties here. No job. No plan living free and committing crimes	5/7/2018 11:42 AM
390	Yes...I do not feel we need to "expand" parks--we have many--we just have not updated parks to keep up with modern usage patterns. Most could be used for recreation year round if there were more turf fields in Kirkland. Single-use fields for one sport (like Lee Johnson field) are a thing of the past Multi-use turf fields around town would bring business to Kirkland with the influx of families for lacrosse, soccer, etc.	5/7/2018 11:41 AM
